

BECOME A WHOLE CITIES CHAMPION

Multicultural Refugee Coalition

Whole Cities Foundation (WCF) is excited to launch its Champions Program to help Team Members build a deeper understanding about WCF's approach and healthy food access work.

Steps to become a WCF Champion:

1. Get your Team Leader to submit a support form on the WCF website for you to enroll in the on-the-clock training.
2. Complete the one-hour Cornerstone training. You don't have to finish the course in one-hour, you can come back to wrap up later.
3. Learn additional ways to get involved with WCF and help build awareness with your fellow Team Members.
